There were 131 incidents reported in your area during October. Incidents of note are as follows: -

02/10/2024 19:36 – A report was received from Hungate Lane in Hunmanby that youths were running around on the scaffolding. Officers attended but no youths could be located.

07/10/2024 14:10 – A resident received an unsolicited WhatsApp message from a number previously unknown to them stating “Hi Mum, this is my new number I have been having really bad signal problems, this is my new number.” The conversation has gone on to ask to borrow £1,890 until Wednesday. The money was not sent and then further calls were received from the scammer claiming to be a loan shark and things would not end well for their child if they didn’t pay this money. The resident correctly identified this as a scam and did not suffer any monetary loss. Please do not engage with any unsolicited WhatsApp messages you receive, this is a well-known scam which unfortunately is occasionally still successful.
